

THE GOVERNMENT OF THE RUSSIAN FEDERATION

RESOLUTION No. 186 of March 6, 2013

ON THE APPROVAL OF THE RULES FOR THE PROVISION OF MEDICAL CARE TO FOREIGNERS TO CITIZENS ON THE TERRITORY OF THE RUSSIAN FEDERATION

In accordance with Article 19 of the Federal Law "On the Basics of Public Health Protection in the Russian Federation", the Government of the Russian Federation decides

1. To approve the attached Rules for the Provision of medical care to Foreign citizens in the territory of the Russian Federation.

2. To invalidate the decree of the Government of the Russian Federation of September 1, 2005 No. 546 "On approval of the Rules for the provision of medical care to foreign citizens in the territory of the Russian Federation" (Collection of Legislation of the Russian Federation, 2005, No. 36, Article 3708).

*Chairman of the Government
of the Russian Federation
DMITRY MEDVEDEV*

RULES
PROVIDING MEDICAL CARE
TO FOREIGN CITIZENS IN THE TERRITORY OF
THE RUSSIAN FEDERATION

1. These Rules define the procedure for providing medical care to foreign citizens on the territory of the Russian Federation.

2. Medical assistance to foreign citizens permanently or temporarily residing in the Russian Federation, as well as temporarily staying on the territory of the Russian Federation, is provided by medical and other organizations engaged in medical activities, regardless of their organizational and legal form, as well as individual entrepreneurs engaged in medical activities (hereinafter referred to as medical organizations). (ed. Resolutions of the Government of the Russian Federation dated 25.11.2022 No. 2144).

3. Emergency medical care in case of sudden acute diseases, conditions, exacerbation of chronic diseases that pose a threat to the patient's life is provided to foreign citizens by medical organizations free of charge.

4. Foreign citizens who are insured persons in accordance with the Federal Law "On Compulsory Medical Insurance in the Russian Federation" (hereinafter - the Federal Law) have the right to free medical care within the framework of compulsory medical insurance, unless otherwise provided by these Rules. (ed. Resolutions of the Government of the Russian Federation dated 25.11.2022 No. 2144).

4.1. Foreign citizens specified in Part 1.1 of Article 10 of the Federal Law acquire the right to free medical care upon the occurrence of an insured event within the framework of compulsory medical insurance, subject to the conditions provided for in part 1.1 of Article 16 of the Federal Law. (ed. Resolutions of the Government of the Russian Federation dated 25.11.2022 N 2144).

5. Ambulance, including specialized ambulance, medical care is provided to foreign citizens in cases of diseases, accidents, injuries, poisoning and other conditions requiring urgent medical intervention.

Medical organizations of the state and municipal health care systems provide this medical care to foreign citizens free of charge.

6. Medical assistance in emergency form (with the exception of emergency, including emergency specialized medical care) and planned form is provided to foreign citizens in accordance with contracts for the provision of paid medical services or voluntary medical insurance contracts and (or) concluded in favor of foreign citizens specified in paragraphs 4 and 4.1 of these Rules, contracts in the field of compulsory

medical insurance. (ed. Resolutions of the Government of the Russian Federation dated 25.11.2022 No. 2144).

7. Medical care in a planned form is provided on condition that a foreign citizen provides written guarantees of fulfillment of the obligation to pay the actual cost of medical services or prepayment of medical services based on the expected volume of provision of these services (except in cases of medical care in accordance with paragraphs 4 and 4.1 of these Rules), as well as the necessary medical documentation (extract from medical history, data from clinical, radiological, laboratory and other studies) if available. (ed. Resolutions of the Government of the Russian Federation dated 11/25/2022 No. 2144).

8. After the completion of the treatment of a foreign citizen, an extract from the medical documentation is sent to his address or the address of a legal entity or individual representing the interests of a foreign citizen, in agreement with the specified citizen, indicating the period of medical care in a medical organization, as well as measures taken for prevention, diagnosis, treatment and medical rehabilitation.

Medical documentation sent from the Russian Federation to another state must be filled in in Russian.

9. Invoices for the actual medical care provided within 10 days after the end of treatment are sent by the medical organization to the address of a foreign citizen or a legal entity or individual representing the interests of a foreign citizen, unless otherwise provided by the contract in accordance with which it was provided (except in cases of medical care in accordance with paragraphs 4 and 4.1 of these Rules). (ed. Resolutions of the Government of the Russian Federation dated 11/25/2022 No. 2144).

10. Disputes related to the provision of medical care or late payment of invoices for actually provided medical care shall be resolved in accordance with the procedure provided for by the legislation of the Russian Federation.

11. If an international treaty of the Russian Federation establishes a different procedure for providing medical care to foreign citizens, the rules of the international treaty shall apply.
